S.M.E.L.I

There was once a Monterey - He was who with 60 N & scopes and gull boxes with K Jeph.

One he pretended to be blind - came out and lost - shot sniped a bit who rose greed

being underground in the war as a robot, the Monterey - here digz very shallow as he had a therm.

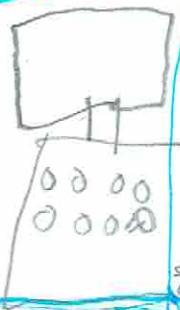

Oh no he had been pumped by a snout and lost his own plus gully - out.

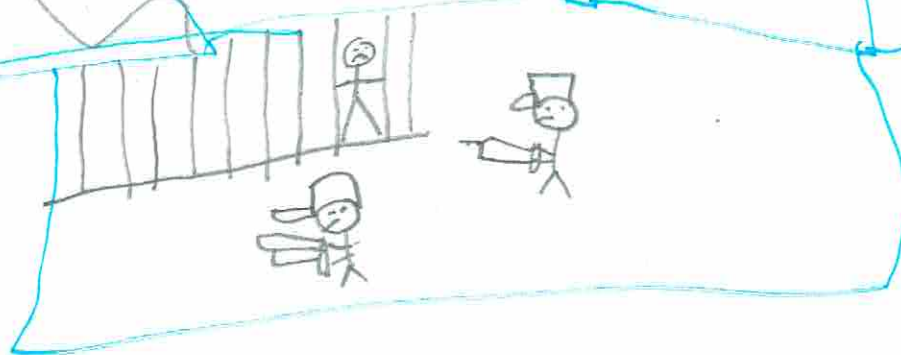

The had brew the enemy's were fighting something up with the wild life so he had to change animal dail

It was time to get serious, he now needed a pep to stop the other countries from fighting him out

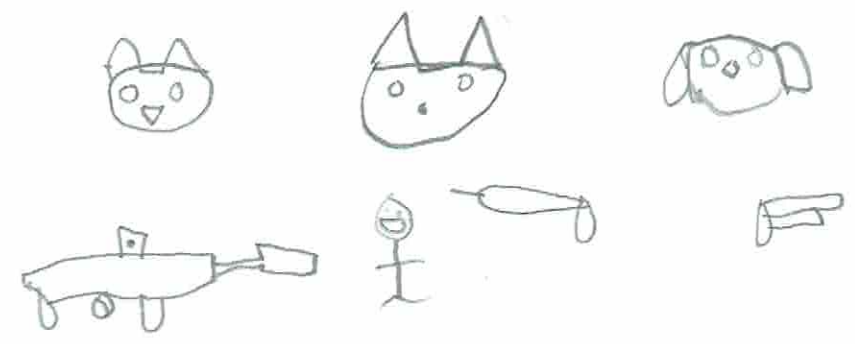

The enemy's gird at the tortoise without working he helped it pain and was took to cooking

Until...

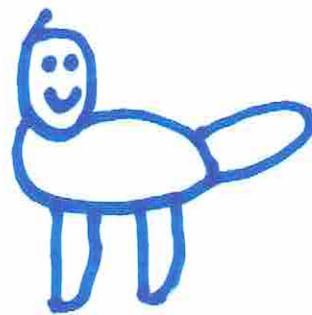

THE MONTEREY HARE:

almost saves his country...

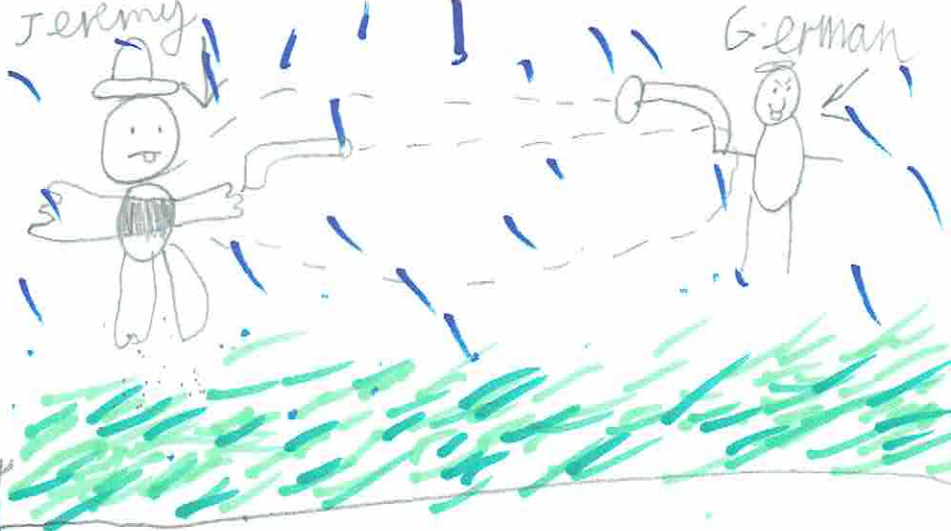

THE ADVENTures

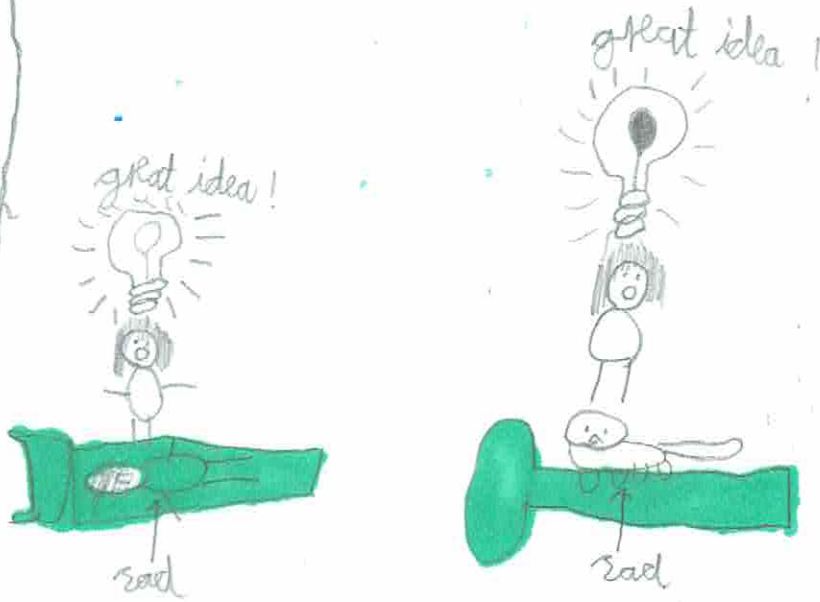

OF "CATMAN"

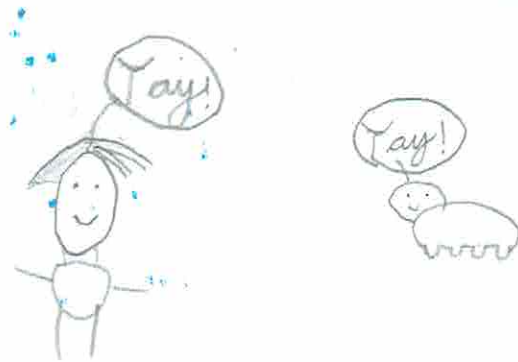

Once upon a time,
there lived a valiant
soldier ^{named Jeremy} ~~who~~ ^{who} had
a cat named
Reginald. ~~They~~ ^{Jeremy} ~~they~~ ^{they}
~~were~~ fighting in Germany
when he got sniped in
the neck.

He went to the
hospital with his
cat, who had been
~~also~~ caught in a
fire and broke
both his legs.
So the nurses had
a great idea.

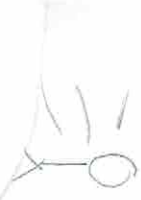

Because the cat
had still got
his neck in perfect
shape the
nurses decided
to perform an
immense operation,
where the cat's
neck would be
transferred onto
the dog's neck.

The soldiers
legs ~~would~~ ^{were} be
transferred to the
cat and a
legend was born
"Cat Boy!"

DIES

It was a Tuesday night and young Tobias has a plate of fish fingers and vegetables.

Veg Tobias
2-1

Tobias fought the he was win but then the carrot eliminated the fork and now vegetables was winning

There was, Brian the battering ram broccoli, Paul and the army of peas, Cameron carrot the camer and the dreaded, Gertrude leader of them all. Gertrude the green bell pepper.

Veg Tobias
2-2

Tobias fought back and Paul and the peas had been killed.

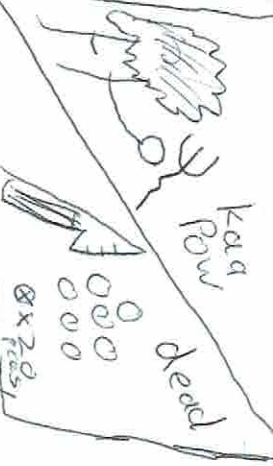

Tobias VS Vegetables

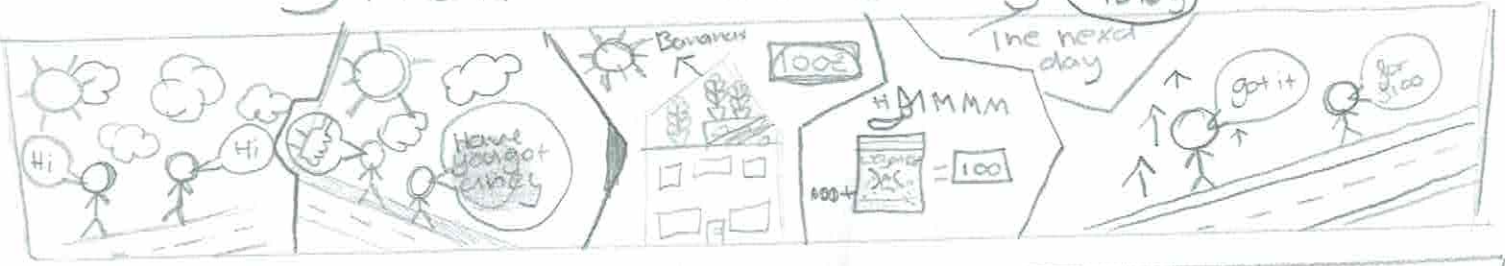

The moment Tobias's laid eyes on the army of enemies he knew it was war. He was fed up from yesterday's pick up comes the surprise pick and was going to win this battle.

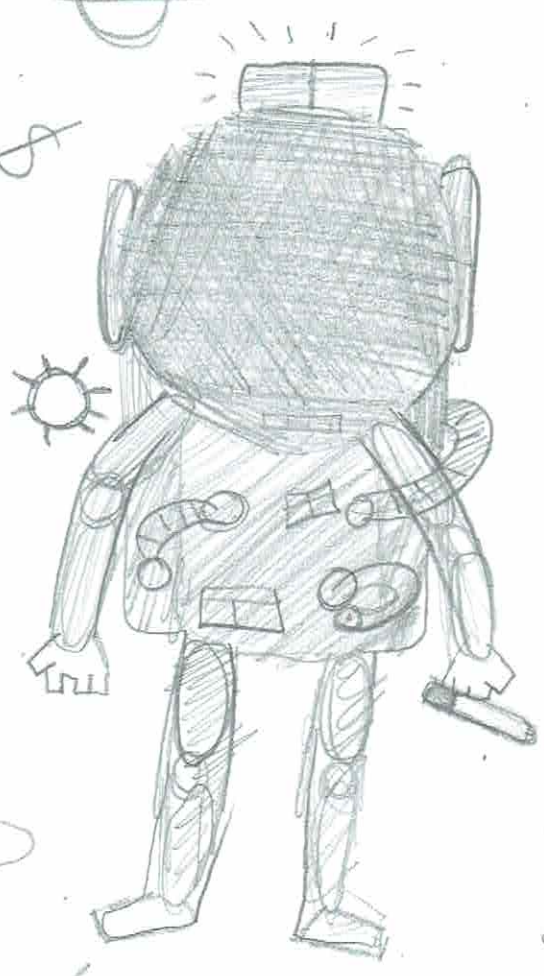

Brian was first to react by throwing a beautiful fight back to the peas and killed a few peas and the battle was underway

of course

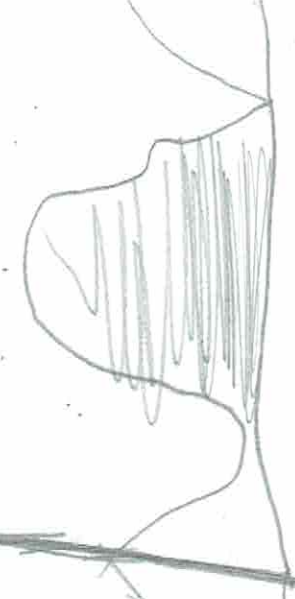

This is a huge glacier
it will take

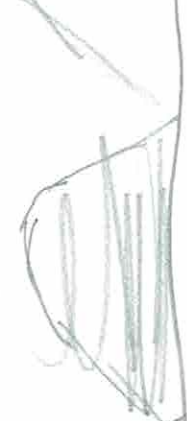

This glacier melts over
time each year is a
new striscation

This by time it melts
more than ever.

This is the barrel

It is smaller than
and is a lot older
older to go

This time is gets shorter
of by the power more
even smaller

its getting so
small you will be

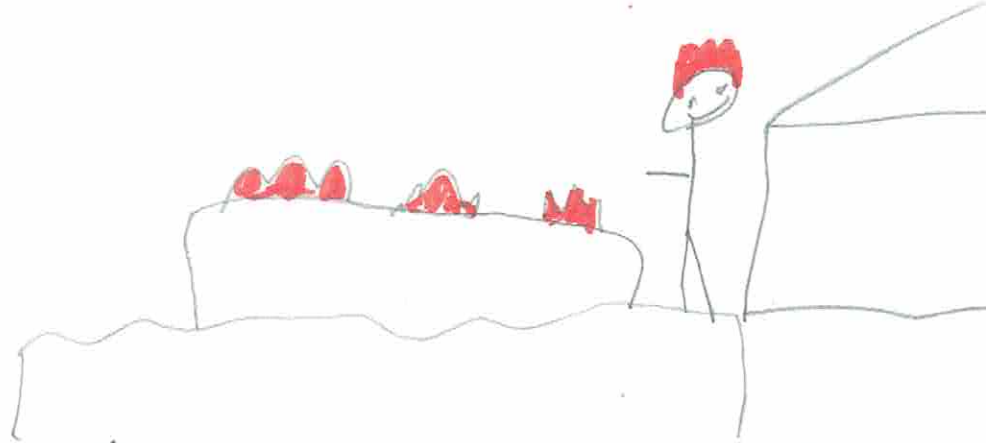

its now measurable from
