How many Nights Away have you done?

A Night Away is a night camping (or sleeping in a bunk house) as part of Scouts. This can be from Beavers up until today. If a camp was Friday to Sunday, it counts as 2 Nights Away.

How many Hikes Away have you done?

A Hike Away is a walk (normally) that's at least 4 hours and has a purpose. Dragon Quest, Moonlight, or any Bowlander day would count. It doesn't have to be with Scouts though.
